

## Herpetofauna Day 2022

### Post-mortem Herpetofauna Day

14<sup>th</sup> May 2022, Saturday.

The Herpetofauna Day was held on 14<sup>th</sup> and 15<sup>th</sup> May 2022 at SAG Art Space, Kota Kinabalu (Formerly the Pillars of Sabah). On April 14, 2022, we conducted many activities including photo exhibition, talk, and word search. There are 5 other organizations and individual participating in this exhibition including Sabah Parks, Mr Paul Yambun, Miss Siti Nor Baizurah, Mr. Masliadi Bin Asri, and Mr. Jamiun Micheal. We made the count of visitors who came estimated at 100 people. Below I include some pictures of the atmosphere of our activities on the first day; -

15<sup>th</sup> May 2022, Sunday

On the second day of the exhibition, we continue our activities with photo exhibitions, talk by Miss Siti Nor Baizurah and Mr. Jamiun Micheal, Treasure Hunt, Live Performance by Scratchman John, Winner announcement for Tiktok competition and Treasure Hunt. We estimate that 150 members of the public came to this exhibition. Moreover, the activities of the "Treasure Hunt" that were held went smoothly. We received a lot of "Treasure Hunt" response from University Malaysia Sabah (UMS), volunteers and from public people. Below I include a picture of the activities carried out;

### **Future suggestion to next event.**

1. Event time is fixed for next event Insect Day at 2pm to 7pm.
2. Add another fan and ask the exhibitor to bring your own fan.
3. Do invest for laminate machine
4. Busker should do a performance by 2 hours
5. Music all the time
6. Find for Portable air conditioning sponsor
7. Should print the photo and fun facts 10 days before the event.
8. Prepare for guest book
9. Activity insect calling
10. Treasure should have one leader
