## World Pangolin Day 2022

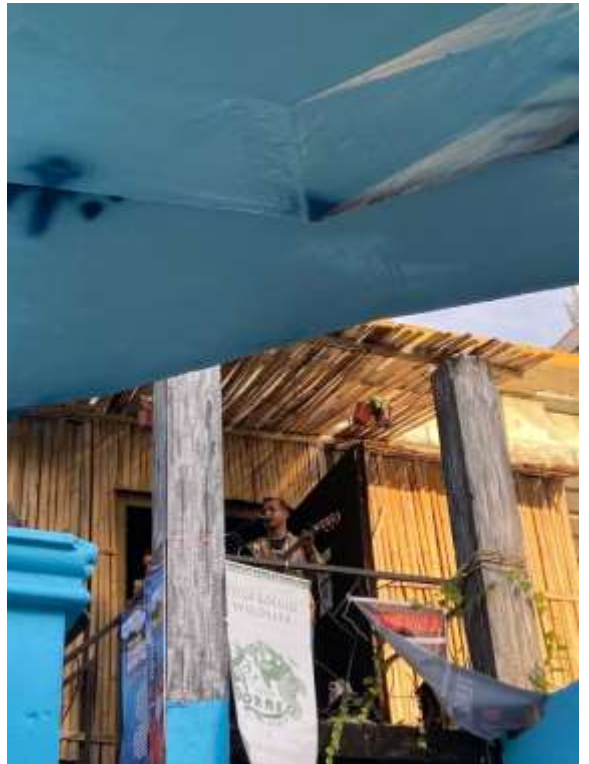

### Post-mortem Pangolin Day

16<sup>th</sup> April 2022, Saturday.

The pangolin day was held on 16<sup>th</sup> and 17<sup>th</sup> April 2022 at SAG Art Space, Kota Kinabalu (Formerly the Pillars of Sabah). On April 16, 2022, we conducted many activities including photo exhibition, talk, busker, and word search. There are 5 other organizations participating in this exhibition including Sabah Biodiversity Centre, University Malaysia Sabah, Marine Research Foundation, Wildlife Rescue Unit, Sabah Park and Through The Lens. We made the count of visitors who came estimated at 200 people. Below I include some pictures of the atmosphere of our activities on the first day; -

On the second day of the exhibition, we continue our activities with photo exhibitions, talk by Mrs Roopan, treasure hunt, certificate giving to Art competition winners and Tiktok competition. We estimate that 150 members of the public came to this exhibition. Moreover, the activities of the "Treasure Hunt" that were held went smoothly. We received a lot of "Treasure Hunt" response from university College Sabah Foundation, Sanzac, Sabah (UCSF) volunteers. In addition, we were surprised by the coverage from the Malaysia TV Show (RTM). Below I include a picture of the activities carried out; -
